

Umn.Life Privacy Policy

Effective Date: 26th January, 2026.

At **UMN.life**, we prioritise transparency and trust. Our platform exists to connect **real people** in **live, one-to-one interactions**.

1. Information Collection

We do **not** collect, store, or analyse your conversations. We do **not** use your data for marketing, analytics, or AI training. Nothing. Zero.

2. Safeguarding and Responsibility

Each conversation is **one-to-one and live**. There are **no recordings, AI avatars, or hidden systems**.

Important: Clients are fully responsible for safeguarding their own interactions. UMN.life cannot be held liable for breaches caused by external factors or improper handling of conversations by the client.

3. Cookies and Technical Information

We may collect minimal technical information (such as device type or browser version) solely to ensure the platform functions correctly. The only data UMN.life may access is strictly for **software updates and platform maintenance**. No behavioural tracking or marketing cookies are used.

4. Transparency

UMN.life is committed to **openness and visible human connection**. Every interaction is transparent, and you always know who you are talking to.

5. Changes to this Policy

We may update this Privacy Policy occasionally. Updates will be posted here with a **new effective date**.
